## MEET OUR FEATURED PRESENTER

### MIKE SLOGGATT

Mike Sloggatt has been involved in the construction industry since 1972. In that time, he has teamed up with major corporations, onsite productions, and lumberyards across the country to bring informative and enjoyable training out to the field. Mike has presented carpentry demonstrations at

JLC Live, The Remodeling Show, IBS, lumberyards, and local NARI events. He is a frequent contributor to the Journal of Light Construction magazine and writes for Fine Homebuilding and Tools of the Trade. Mike has more than forty years of experience and specializes in high-end, challenging remodels near his home on Long Island.

"Mike Sloggatt is one of the rare presenters who can turn a dry sounding topic, like door and window installation, into a thoroughly engaging experience. Mike's passion for doing things once, by doing them right will quickly prove to you why he is one of our industry's most sought after presenters and notable authors. You don't want to miss Mike Sloggatt. I know I won't!"
